#### Novel Coronavirus Pandemic (COVID-19) (continued)

#### COVID-19 impacts in 1st half 2021 (continued)

#### 1 January 2021 to 30 June 2021 - Reef Hotel Casino stayed open (continued)

Local and domestic markets have held up well. Since just before Easter, Cairn's has seen a return of interstate visitors in good numbers with some impact from the Melbourne, Sydney and Greater Brisbane lockdowns at various times during the half year. International borders remain closed. The result partly reflects a degree of short-term trading variability in table gaming.

#### COVID-19 impacts in 2020

#### 23 March 2020 to 2 July 2020 - Shut down of Reef Hotel Casino

The Reef Hotel Casino, specifically the casino and food and beverage outlets, were shut down as directed by the Queensland Government from 23 March 2020, with hotel rooms following soon after. This shut down period represented 55% of the first half year of 2020 during which time there was essentially no revenue at the Reef Hotel Casino complex.

The Federal Government's JobKeeper program meant that while most staff were stood down, there were no redundancies.

#### 3 July 2020 - Reopening of the Reef Hotel Casino

The Reef Hotel Casino reopened for trading on 3 July 2020 and remained open and operational for the rest of 2020. The Reef Hotel Casino traded strongly during this period.

# Financial summary (continued)

- <sup>1</sup> Under Australian Accounting Standards the first 50% of distributable profit is treated as "finance costs attributable to unitholders", with the remaining 50% treated as profit.
- <sup>2</sup> As the Trust reported an operating loss before impairment of property, plant and equipment for the first half year of 2020 there was no distributable profit for the half year ended 30 June 2020.
- \* Basis of preparation: Distributable profit is a non-IFRS measure that is determined in accordance with the Trust Constitution and used as the basis for determining distributions to unitholders. Distributable profit is determined as net profit for each half year, adding back distributions to unitholders which have been treated as finance costs in accordance with IFRS. The distributable profit has been audited by Grant Thornton Audit Pty Ltd. Refer to the auditor's report on page 20 of the Half Year Report for the half year ended 30 June 2021.

## **Revenue and other income**

The Trust reported strong rental income for the 1st half year as the Reef Hotel Casino traded strongly.

Both the Trust and the Reef Hotel Casino received no Federal Government JobKeeper subsidy in the current reporting period. In first half of 2020 the Federal Government's JobKeeper subsidy program assisted total rentals paid to Trust by approximately \$800,000.

Total Trust revenue and other income for the period (comprising mainly of rental income from the Reef Hotel Casino) was \$12.275 million. 2020's trading result was heavily impacted by the enforced closure of the complex by the Queensland Government to manage the COVID-19 risk.

## **Expenses**

Operating expenses were kept under tight control. In 2021, building repair and maintenance expenses were higher than 2020 and 2019. Insurance premiums were also higher in 2021.

Non-Executive Directors who received directors' fees agreed to take a 50 percent reduction in their fees for the period 1 April 2020 to 30 September 2020.

#### **Distributable profit\***

Trust distributable profit\* was \$6.118 million for the six months ended 30 June 2021.

In the same period for 2020, it was nil as the Trust reported a net loss for the period.

In the same period for 2019, natural disasters including flooding and bush fires in the country impacted on rental income received.

#### Unit distribution

A unit distribution for the 6 months from January to June 2021 of 12.29 cents per unit (2020: nil; 2019: 3.04 cents) was declared. The record date was 30 June 2021 and payment will be made on 15 September 2021.

This represents 100% of the distributable profit for the period.

This is consistent with the Trust's usual distribution policy to distribute 100% of the distributable profit.

The undistributed income account balance is 20.31 cents per unit, or \$10.115 million in total.

## **Trust balance sheet**

The Trust's interest only business term loan facility with the Bank of Queensland remains unchanged at \$13.500 million. This loan facility was renewed with the Bank of Queensland earlier in the year for a further 3 years and now expires on 31 January 2025. The amount undrawn at 30 June 2021 was \$13.300 million. Importantly, the Trust continues to be solvent and a going concern. At present, the Trust has determined there is no need for additional cash facilities or liquidity given the Trust's current balance sheet position and outlook.

#### **Capital investment**

Despite strong cash flows in the period, capital expenditure in the first six months of 2021 was very carefully managed due to the on-going COVID-19 pandemic. Essential capital items were approved which included new gaming machines, hotel operating asset requirements, and the proper maintenance and overall upkeep of the Reef Hotel Casino complex building.

# REVIEW OF PERFORMANCE AND STRATEGY AT REEF HOTEL CASINO PROVIDED BY THE EXECUTIVE DIRECTOR OF THE OPERATOR, CASINOS AUSTRIA INTERNATIONAL (CAIRNS) PTY LTD (CAIC)

Allan Tan, the Executive Director of the operator of the Reef Hotel Casino (CAIC) which is jointly controlled by Casinos Austria International Limited and Accor Casino Investments Pty Ltd, has provided his review as follows :-

# **Reef Hotel Casino Executive Director's Report**

#### Trading and operating conditions

#### **COVID-19** impact

- The Reef Hotel Casino Complex was opened for operations throughout 1H 2021
- The Complex continued to operate with a site specific COVID Safe Plan as required by the Queensland Government. This plan had amendments fairly regularly but restrictions were lessened over time.
- The Complex did not receive any Federal Government JobKeeper subsidy
- · There were no international tourists because of Australia's closed borders

#### **Our markets**

- Our local, regional and Queensland market continued to hold up well for our complex.
- As for the domestic interstate market, this improved over time as state borders reopened. However, last minute closures
  of state borders were not helpful.
- Our casino performed particularly well. Our hotel operations also performed relatively well. Hotel room performance
  improved over time as state border restrictions eased.
- All this was achieved despite COVID-19 impacts and restrictions which included closed international borders, the closure of various state borders from time to time and COVID related restrictions on our operations.

#### **Key strategies**

The following key strategies underpinned and drove our overall performance of the complex for the 1st half of 2021 under challenging economic and still uncertain COVID-19 conditions. In the 2<sup>nd</sup> half of 2021, these will be consolidated and built upon as the COVID-19 uncertainties continue. These will be coupled with the proven success of our management strategy and philosophy under our "*One Complex, One Team, One Success*" mantra.

#### **COVID Safe Plan**

Our complex re-opened on 3 July 2020 in accordance with the Queensland Government's lifting of restrictions. However, there are still restrictions on our operations and we operate by reference to our site-specific COVID Safe Plan as amended and approved by the health authorities.

- Anti-money laundering and counter-terrorism funding

# A brief look at 2<sup>nd</sup> half 2021

The  $2^{nd}$  half commenced with a very strong July rental paid to the Trust due in part to increased premium patron support domestically. We hope this will continue, however a consequence of this is possible short-term variability in win rates. Electronic gaming continues to perform well. Hotel room performance is dependent on the status of the State borders.

COVID uncertainties remain. The Complex's operating strategies are designed to manage these as best as possible.

# CHAIRMAN'S SUMMARY AND OUTLOOK

#### **Relationship between Trust and Operator**

The operator of the Reef Hotel Casino is Casinos Austria International (Cairns) Pty Limited (CAIC), jointly owned by Casinos Austria International Limited (CAIL) and Accor. This longstanding relationship between the Trust as the owner of the Reef Hotel Casino complex and CAIC as the operator continues to work well.

#### Risk Management Reef Hotel Casino - Trust's principal asset

The Trust's sole investment is the Reef Hotel Casino and so it is exposed to the risks inherent in the ownership of a single asset located in Cairns.

The Trust remains positive regarding its longer-term trading. The Reef Hotel Casino's management strategy is to drive future growth based on three key strategic areas - electronic gaming, table games including premium play, and hotel operations. The future performance of the Trust will rely on the local economy and on tourism to Cairns, the Great Barrier Reef and Far North Queensland.

The Reef Hotel Casino continues to operate with reference to a site specific COVID Safe plan as approved by the health authorities. However, as experienced last financial year, decisions around operating restrictions to manage pandemic risk are not always in our control.

#### A brief operational outlook for the Trust in 2<sup>nd</sup> half 2021

The Trust can report a strong start to the 2<sup>nd</sup> half of 2021. The operator of the Reef Hotel Casino in Cairns has reported a very strong profitable trading month in July 2021. This has resulted in a very high rental income for the Trust in July.

On 8 August 2021 the Reef Hotel Casino operations (with the exception of our hotel accommodation) closed temporarily following the Queensland Government's announcement of a 3-day COVID-19 snap lockdown for the Cairns Regional Council and Yarrabah Aboriginal Shire Council. The operations re-opened on 11 August 2021.

Due to the on-going COVID-19 situation, economic and trading conditions in Cairns and the region remain somewhat challenging amidst a degree of uncertainty. Consequently, Trust expenditure and costs will remain under tight control and capital investment will be carefully managed.

In closing, I would like thank my fellow board directors and the management and staff of the Trust and the operator of the Reef Hotel Casino for their efforts and contributions during the 1<sup>st</sup> half of 2021.

#### Key audit matter

#### Determination and recognition of revenue - Note 4

The Trust leases its facilities to a related party, Casinos Austria International (Cairns) Pty Ltd (the Lessee). Accordingly the Trust's rental revenue is determined in accordance with the lease agreements between the Trust and the Lessee.

Rental revenue comprises two components: a base rent and a contingent rent. The base rent component is indexed yearly and recognised on a straight line basis over the lease term.

The contingent rent component is based on the financial performance and results of the Lessee and is recognised when contractually due. The contingent rent component comprises the majority of total rental revenue.

This is a key audit matter given that it is material to the Trust's results and is recognised based on the financial performance and results of the Lessee.

#### How our audit addressed the key audit matter

Our procedures included, amongst others:

- Assessing the design and implementation of management's controls over the determination and recognition of rental revenue;
- Analysing management's calculation of rental revenue in accordance with the lease agreements and with the audited financial statements of the Lessee;
- Agreeing whether the inputs to management's calculation of contingent rental revenue are in accordance with the lease agreements and with the audited financial statements of the Lessee; and
- Assessing the appropriateness and sufficiency of the work performed on the Lessee's financial statements for the relevant period by the Lessee's auditor.

#### Responsibilities of the Directors for the financial report

The Directors of the Responsible Entity of the Trust are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <u>https://www.auasb.gov.au/auditors\_responsibilities/ar2.pdf</u>. This description forms part of our auditor's report.
