

Boomerang Jackpot

Before each game and prior to the dealing of any cards, players have the opportunity to participate in the Boomerang Jackpot prize. To do this, place a dollar chip onto the layout adjacent to the regular betting boxes.

This then qualifies the player for a Boomerang Jackpot prize in addition to the regular payments made to the following winning hands.

Royal Flush	\$100,000 bonus
Straight Flush	\$10,000 bonus
4 of a Kind	\$500 bonus
Full House	\$150 bonus
Flush	\$100 bonus
Dead Man's Hand	\$50 bonus

When a player has entered the Boomerang Jackpot and has a hand that qualifies for a payout it wins regardless of the result of the dealer's hand.

How to Play Reef Routine

Now here's another new and exciting card game in Australia, with added jackpot bonus prizes.

Reef Routine is based on Draw Poker and its hierarchy, where the players play individually against the 'House' by placing an initial stake known as the 'Ante'.

Each player receives 5 cards face down while the dealer receives four cards face down and one card face up.

Where the player feels they have a hand that will beat the dealer's hand, they may make an additional wager which is known as the 'Bet' which must be exactly twice that of the 'Ante'. Where the player does not wish to continue they must 'Fold' and forfeit the 'Ante' and any boomerang bet if applicable.

After all players have either 'Bet' or 'Folded' the dealer shall arrange his or her cards face up to form the highest ranking poker hand.

The dealer's hand shall qualify only if the hand contains at least an Ace and King or higher. Where the dealer's hand does not qualify the 'Ante' wager shall be paid even money and the wager on the 'Bet' shall be void. Where the dealer's hand does qualify, to win your hand must be higher than the dealer's hand.

If so your 'Ante' bet shall be paid even money and your 'Bet' wager shall be paid according to the pay scale.

1 Pair	Even Money
2 Pairs	2 to 1*
3 of a Kind	3 to 1*
Straight	4 to 1*
Flush	5 to 1*
Full House	7 to 1*
4 of a Kind	20 to 1*
Straight Flush	50 to 1*
Royal Flush	250 to 1*

* Up to \$2,500 maximum payout on a \$5 minimum wager table, and up to \$5,000 maximum payout on a \$10 minimum wager table.

Note: These payouts are in addition to any Boomerang Jackpot payout.

The house margin for Reef Routine is about 5.5%.
